

## Buildings and Grounds Meeting

December 6, 2017

6:15 PM

Attendees: Bill Berger, Jim Dodge, Roger Glidewell, Brent Crispell, Ed Sanders, Steve Dolak, Cindy Jenkins

Topics—

1—Shared about the replacement of a bad compressor on the multi-stack—Brent will contact McClure on December 7, 2017 to accept their quote and finalize a date for repair.

2—Discussed projects for the summer of 2018—replace carpet in elementary library (already approved and budgeted), paint the FCS room, AD office, and weight room, and repairs to guidance office.

3—Discussed remodeling auditorium and gym bathrooms at the high school—involves new auto flush toilets, new auto flush urinals, stall/urinal dividers, new auto large group sink, replacing tile floors and walls, drop ceiling, and lights. Discussion involved options of doing 4 or one set of 2—cost and time dependent. Brent is contacting architects for quotes to spec it out.

4—Discussed refurbishing the gym floor at the elementary school, pricing plastic bleachers for the high school, and resealing both gym floors annually.

5—Question was asked about the panic button at the elementary school. The Bells in a Box was purchased and installed for both the elementary and the high school.
